The Campus Theme is Adventure sports and every week we will have a different sport as a week theme to base our activities.

- Climbing to the sky
- Sea & Cliffs
- Discovering Paths
- The Underworld
- Training warriors
- Cement Jungle Adventures
- Natural Slides

The Nature guardians and Thrill seekers group will have a day out to practice outdoor sports once a week, whilst the young explorers will have a TGIF Special Day every Friday

Health & Safety is our number 1 priority

The campus is mostly held outdoors which gives the possibility of maintaining social distance and minimizing the risks of COVID infections. We have also adapted the facilities and activities to the COVID and children will be provided with safety equipment for each of the required activities.

What if my kid is not into the Sport of that week?

Workshops, stories, water & table games, arts, model makings and lots of innovative outdoor activities ensure that every child will learn new abilities while having fun. A theme doesn't mean we are going to be practicing one sport all day.
