For 2022

In Collaboration With

Health & Safety is our number 1 priority

The campus is held predominately outdoors which gives the possibility of maintaining social distance and minimizing the risks of COVID infections. Our staff will be testing Regularly to ensure infections are kept to a minimum. Children will be provided with safety equipment for all our activities in line with UK H&S standards.

WHAT NEW FOR 2022?

Like any reputable Company the feedback from parents and children have helped shape this year and we have adopted changes to improve our camp.

The age range for Nature Guardians will be split into groups for the smaller children 3-4 year olds and 5-6 years. Both groups will enjoy Workshops, stories, table games, arts, model makings and lots of innovative outdoor activities and have the option of attending a day out.

We will be asking Children who their friends are so they can be placed together.

Afternoon activities will be more structured.

Specialists will be brought in to teach and provide new information.

And of course New and exciting venues.
