## AFTER SCHOOL INFORMATION 2023-2024

---

Dear families,

We have now completed the after-school activities offer.

Extracurricular Activities support the integral education of our students, giving them opportunities to develop their personal interests and talents in order to achieve a holistic strengthening of their intellectual, physical and artistic abilities. Escola Global offers a age-specific programs tailored to our students' tastes.

Below you will find a brief summary of the activities offered by the school:

## Extracurricular Activities 2023-2024

### Flamenco Kids

135€  
TERM

Flamenco is a way of feeling and also like any other dance, a way to express. Flamenco dance is particularly rich to express from joy, maximum sadness, flirtation, fear or tragedy. Flamenco dance and theater go very close. During the flamenco class children will develop their self-esteem and will discover new skills and qualities. They will socialise with other children and cooperate to perform group dances, all this in a positive and safe environment.

Teacher: Aroa Acosta

**Group I (Beginners):**  
Tuesday 16:00h a 17:15h

**Group II (Mid Level):**  
Thursday 16:00h a 17:15h

## Extracurricular Activities 2023-2024

135€  
TERM

### Phonics Club Keep-Up and Catch-Up

Phonic tutoring is an intensive intervention designed to help your child keep up and catch-up, up with their daily phonics teaching, through phonics games. Each session involves fun and engaging activities that will inspire your child to get involved and learn as they play.

All sessions are developed and delivered by a qualified teacher who has experience working within the Jolly Phonics program.

Teacher: Inés Sevilla

**Group (Reception - Y2)**  
**Wednesday or Thursday 16:00h a 17:15h**

### Monster Math

135€  
TERM

Our after school maths club is monstrously fun! Having a maths after-school club is a way of allowing students to explore areas they already enjoy and dive into areas they may find challenging with an approachable and fun atmosphere. There is a range of benefits that come from having a maths club, these include:

Aiding the development in motor, social and problem-solving skills.

To help raise the profile in maths in schools.

It contributes to learning with other age groups.

The opportunity of trying new things in a less academic environment.

Promotes a can-do attitude with maths.

Learn maths by games

Teacher: Inés Sevilla  
**Group (Reception - Y2)**  
**Wednesday or Thursday 16:00h a 17:15h**

135€  
TERM

### Spanish Ludoteca

Students will have the opportunity to spend time speaking Spanish while playing different games. The children will improve their communication skills in Spanish while interacting with other children of different ages. New and traditional Spanish games will be offered, as well as teamwork and strategy games.

Teacher: Rozenn Camenen

**Group (Reception - Y2)**
